Your car insurance policy booklet
If you’re in an accident

Stop
You must stop after an accident and:
› Check whether anyone’s been injured.
› Check whether there’s any damage to property.
› Call the emergency services if needed.

Report it
Let the police know as soon as you can if:
› Anyone’s injured.
› Anything’s been stolen.
› The other driver fails to stop.
› There’s no other driver involved, but there has been any damage to property.
› Your car is causing a traffic jam.
› You have any concerns about your safety or the safety of others.

Swap details
Try to talk to the other driver or drivers where possible, so long as it’s safe to do so. Share your:
› Contact details.
› Insurance information.
› Car make and model and registration number.
If there are witnesses, try to get their details too.

Take notes and pictures
Record as much detail as you can as soon as you reasonably can. For example:
› Take pictures on your phone.
› Make a drawing of the scene.
› Make notes of key details, such as your location.
› Make notes about how the accident happened.
This information will help us to assess any claim.

Don’t negotiate
It’s up to us, or the police, to decide the cause of any incident. So never do any of the following – we’ll do this for you.
› Admit responsibility, even if you think it may have been your fault.
› Negotiate with the other driver.
› Offer to pay for any damage.

Get in touch with us by calling 0345 246 8539
Let us know what’s happened as soon as you can, even if you don’t intend to claim for damage to your car. We’ll let you know what to do.
Please also tell us if anything’s been stolen.
Welcome to Privilege

This booklet tells you all about your car insurance.

About the policy
The policy is made up of:
› This booklet.
› Your car insurance details.
› Your certificate of motor insurance.
If the policy includes Green Flag breakdown cover:
› Your breakdown cover and your car insurance are part of the same policy.
› The policy also includes the Green Flag policy booklet we’ve given you.

Words in bold type
Some of the words and phrases we use in this guide have a specific meaning – for example, your car or modifications.
We’ve highlighted these words using bold type. You can find the exact meanings of these words in the glossary on page 31, or at the start of each section.

FAQs

How much will you pay if my car is damaged?
If your car is damaged, we’ll pay the cost of repairing or replacing your vehicle up to its UK market value. This is the current value of the vehicle at the time of the claim. It may be different to the amount you paid or any amounts we spoke about when you insured your vehicle with us.

Am I covered if I drive other cars?
Your certificate of motor insurance will show who has cover to drive other cars. We’ll only cover injury to third parties, or damage caused to their property, not to the car being driven – see ‘Liability to other people’ on page 8.

Am I covered if I leave my car unlocked or the keys in the car?
We won’t pay a claim for theft if your car is left:
› Unlocked.
› With keys or key fobs in, on, or attached to the car.
› With the engine running.
› With a window or roof open.

What’s not included in my cover?
Your insurance is designed to cover you if you’re in an incident or your car has been stolen or damaged. So we don’t cover things like:
› Breakdowns (unless you’ve purchased Green Flag breakdown cover)
› Mechanical or electrical failure.
› Wear and tear.
› Damage to tyres caused by braking, punctures, cuts or bursts.

We won’t provide cover if your car is being used:
› By someone who’s not insured on the policy.
› By someone who’s disqualified from driving.
› For a purpose that’s not allowed under the policy.
You can find full details of what’s not covered by the policy in each cover section, and in ‘Losses we don’t cover’ on page 23.

Does Privilege have a national network of approved repairers?
Yes, we have a UK-wide repair network of approved repairers. If you use one of these, they’ll deal with all aspects of your repair. They’ll arrange a time to collect your car, work on the repairs, and deliver your car back to you once everything’s done.
Making a claim

If you need to claim

These steps will help you and enable us to process your claim quickly.

The different types of claim

Windscreen damage
If you need to make a claim for windscreen damage, please get in touch with our windscreen damage team on 0800 328 7471.

Legal claims
If you have Motor Legal cover and you’re in a motor contract dispute or being prosecuted for a motoring offence, please get in touch with our legal advice line on 0345 878 8731. See page 15 for more about the issues we can help you with.

All other claims
If you need to claim for anything else, please get in touch with our general claims team straight away on 0345 246 8539.

We need to know about any incident, loss or damage as soon as possible after it happens. Our claims advisers can take all the details from you and tell you what you need to do.

If somebody else might make a claim against you, or is already doing this
You should also let us know if you think someone else might make a claim against you, or is already doing this — even if you’re not going to claim yourself. For example, if you hit another car, the other person may want to claim against you for the damage.

How it works
To get the ball rolling, we’ll need to know things like:
› Your personal details.
› Your policy number.
› Your registration number.
› A description of the loss or damage.
› If you’ve been in an accident, the other driver’s details.

Please have these handy when you get in touch.

Other information you need to send us
If you get any communication such as any notice or form from a Court, any threat of legal action or similar, please contact us straight away. We’ll deal with it or tell you what you need to do. You must also give us any other relevant information, documents or help we might need to process your claim, and pay any charges for sending such information.

Avoiding increasing the claim
You must not do anything, or refrain from doing anything, that would increase the amount of the claim without our written permission.

Paying the excess
For some claims, you’ll need to pay an excess. You can find your excesses in your car insurance details. Each driver may have different excesses.

We won’t charge an excess if:
› You’re in an accident that’s not your fault. Sometimes you may have to pay the excess while we’re looking into the claim, but we’ll refund it once it’s proven you’re not to blame.
› Your car is stolen from a private locked garage.

If you’re leasing your car or buying on hire purchase
If your car can’t be repaired and you’re leasing it, we’ll pay any claims to the lease company, because they are the legal owners of the car.
If your car can’t be repaired and you’re buying it on hire purchase or a similar agreement, we’ll pay any claims to the legal owner. We’ll only pay any remaining balance to you if you have the option to become the full owner at the end of the agreement.
How repairs and replacements work

This page explains how we’ll repair your car. We’ll only do this if it makes financial sense for us to do so. See ‘Fire and Theft’, page 9; ‘Damage’, page 11; or ‘Windscreen Damage’, page 12 for more details.

Repairs to your car

If our approved repairer carries out the repairs, you do not need an estimate, and you will benefit from our 5-year Guarantee. This means parts, materials and workmanship provided by our approved repairer are guaranteed for five years, unless you sell your car or end your lease. Your car will not qualify for repair under our 5-year Guarantee if the cause is a lack of maintenance, wear and tear, or a subsequent incident. If there is a problem with the repair, your first port of call is the approved repairer who did the original work. If they cannot put things right, please let us know.

Where we have agreed with you, reasonable and necessary repairs can be carried out at a repairer of your choice. However, you must give us full details of the incident and we must approve the repairer’s detailed assessment of the repairs before the work begins. We may then make the arrangements for the repairs ourselves. Where the repairs are carried out at a repairer of your choice, those repairs will NOT be guaranteed by us even though we may pay for them directly. For the purposes of this policy, those repairs will not be treated as being carried out by our approved repairer.

Windscreen repairs

If you arrange windscreen repairs or replacement with someone who isn’t an approved windscreen supplier, you don’t need to get our approval beforehand. However, we’ll only cover a limited amount – see ‘Windscreen damage’ on page 12.

The excess amounts for windscreen repairs and replacement are shown in your car insurance details.

Replacing parts in your car

We may decide to repair your car with parts that haven’t been made by your car’s manufacturer, but that are of a similar standard. This can include recycled parts. If any part or accessory is not available, the most we’ll pay for that part will be the cost shown in the manufacturer’s last UK price list (plus reasonable fitting costs).

Removing, delivering and storing your car

If your car can’t be driven after an accident, we’ll cover reasonable costs to take it to the nearest suitable repairer. We’ll also cover the reasonable cost of delivering it to you (at the address shown in your car insurance details) after it’s repaired.

We’ll help you and your passengers arrange to get to one place you choose, such as your home or destination.

If we need to put your car into safe storage at any time, we’ll cover the reasonable cost of storage.

Uneconomic repairs – if your car is written off

If your car is uneconomical to repair (written off), and we choose to settle your claim on that basis, you’ll still need to pay us your premium in full. This is because we’ve carried out our responsibilities to you as your insurer.

Once we settle your claim:

› Your car will become our property, and you must send us the registration document.
› We’ll put your insurance cover on hold – unless we agree something different with you.
› If you pay annually, we won’t refund any of your premium.
› If you pay by monthly instalments under a credit agreement, you must pay us both of the following:
  • All instalment payments that you owe under the credit agreement but haven’t paid yet, including any payments that are in arrears.
  • The total remaining balance under the credit agreement, including instalments that haven’t become due up to this point.

If we agree to pay your claim and you haven’t paid these amounts, we may take the total that you owe us off the amount payable to settle the claim. Alternatively, we may write to you asking you for full payment.
How much we’ll pay at a glance

We’ll pay up to the amounts shown below, depending on the type of claim and the level of cover.
If your policy includes an excess, we’ll take this off what we pay (except under ‘Windscreen Damage’ section).

Section 1: Third Party, Fire and Theft

**Liability to other people (third parties)**

We’ll cover you if you’re found to be legally responsible for an accident.

**What we’ll do**

We’ll provide cover:

If you cause an accident

We’ll provide cover if you’re found to be legally responsible for an accident involving your car that:

› Injures or kills someone.
› Damages someone else’s property.

This includes accidents caused by a trailer or vehicle you’re towing.

We’ll provide cover up to the amounts shown in ‘How much we’ll pay at a glance’ on page 6.

If the main driver is driving another car

The main driver may be covered for liability to others when driving another car.

If they’re covered:

› You’ll see this on your certificate of motor insurance.
› When the main driver drives any other car, we’ll provide the same cover as ‘If you cause an accident’ above, as long as:
   • They aren’t covered by another insurance policy.
   • They don’t own the other car.
   • The other car isn’t hired to them under a hire-purchase or leasing agreement.
   • The owner of the car they’re driving gives their permission.
   • The car they’re driving is registered in the territorial limits (UK, Isle of Man or Channel Islands) or in the Republic of Ireland.
   • You still have your car and it hasn’t been damaged beyond cost-effective repair.

Check your certificate of motor insurance to see if the main driver is covered for liability to others when driving another car.

If someone else is using your car

We’ll also cover any of the following people for their liability to others:

› Anyone insured by this policy to drive your car, if they have the policyholder’s or main driver’s permission.
› A passenger, or anyone else that the policyholder or main driver allows to use, but not drive, your car.
› Anyone getting into or out of your car.
› The legal representative of anyone covered if that person dies.
› The employer or business partner of anyone covered while your car is being used for business purposes, if your certificate of motor insurance includes business use.

If someone needs emergency medical treatment

We’ll cover emergency medical treatment if it’s our responsibility under the Road Traffic Act.

If you claim for emergency medical treatment only, you won’t lose your No Claim Discount.

If you have to go to court

If there’s an accident covered by this policy, we may pay reasonable legal costs or expenses to defend or represent you or any driver covered by this policy:

› At a coroner’s inquest or fatal accident inquiry.
› In criminal proceedings to do with the accident.

It’s up to us whether we do this. If we do, we must agree to all legal costs or expenses beforehand. If we agree to pay these legal costs or expenses, we’ll tell you how much we’re willing to cover.

Payments made outside the terms of the policy

If we have to make a payment that isn’t covered by this policy because we’re required to do so under any country’s laws, we may ask you (or the person who is legally responsible) to pay us back any payment made that isn’t covered by this policy. This includes any amount that we have to pay because you don’t provide accurate information.
You’re not covered for

Liability

✗ We won’t cover any liability for loss, damage or injury that’s:
  • Covered by another insurance policy.
  • The result of grinding, cutting, welding or soldering operations, or using blow lamps or torches on or in your car.
  • Due to an act of terrorism, as defined in the Terrorism Act 2000 (UK) or the Anti-Terrorism and Crime Act 2003 (Isle of Man), except as is strictly required under the Road Traffic Act.

Legal costs

✗ We won’t cover any legal costs or expenses for:
  • Speeding offences.
  • Driving under the influence of alcohol or drugs.
  • Parking offences.
You may have cover for costs relating to speeding offences if your cover includes ‘Motor Legal Cover’ – see page 15.

If you’re driving another car

✗ We don’t cover any damage, fire or theft to the car you’re driving when you’re driving another car.

✗ We don’t provide Motor Legal cover if you’re driving another car.

✗ We’ll only cover you if you still have your car and it hasn’t been damaged beyond cost-effective repair.

Other exclusions

✗ We don’t cover:
  • Damage caused by any driver insured on this policy to any property they own or are responsible for.
  • Liability for loss of, or accidental damage to, any car you’re driving or any trailer or vehicle you’re towing.
  • Death of, or injury to anyone working with or for the driver of the car (except as covered by the Road Traffic Act).

Fire and theft

We’ll put things right if your car is stolen, damaged by an attempted theft, or damaged by fire.

What we’ll do

If your car is

› Stolen.
› Damaged as a result of theft or attempted theft.
› Damaged by fire, lightning or an explosion.

We can choose to

› Repair – we’ll repair the damage ourselves, or pay to repair it.
› Replace – we’ll replace whatever is lost or damaged if that’s more cost-effective than repairing.
› Repay – we’ll settle your claim by sending a cheque or bank transfer.

If any of these things happen, we’ll also cover:

Child car seats We’ll pay back the cost of replacing your child car seat with one of a similar standard, even if there is no apparent damage. This includes booster seats and isofix bases.

In-car entertainment equipment We’ll:

› Replace any damaged or stolen entertainment equipment that was permanently fitted in your car when it was made (for example a car radio), as long as we haven’t sent a cheque to cover replacing your car.
› Replace removable in-car entertainment equipment, such as satnavs or dashboard cameras, up to the amounts shown in ‘How much we’ll pay at a glance’ on page 6.

If the in-car entertainment equipment was fitted in your car after it was made, we’ll provide cover up to the amounts shown in ‘How much we’ll pay a glance’ on page 6.

How much am I covered for?

We’ll provide cover up to the amounts shown in ‘How much we’ll pay at a glance’ on page 6.
You’re not covered for

If your car isn’t kept secure

✗ We won’t cover loss or damage to your car if the person using it doesn’t take care to keep the car secure. For example, if anyone who uses your car:
  • Left the car keys unattended in or on the car.
  • Left the car unattended and unlocked. This includes leaving windows, roof panels or hoods open or unlocked.
  • Lost your car, or it was damaged, by deceit, fraud or trickery when selling your car.

✗ We won’t cover you for loss or damage to property if anyone who uses your car:
  • Left any removable in-car electronic equipment inside a locked car where it could be seen.
  • Left any property in an open or convertible car outside of a locked boot or locked glove compartment.

Using tracking devices

✗ We won’t cover you for any loss or damage if we required a tracking device to be installed on your car and:
  • It hasn’t been fitted.
  • The policyholder, main driver or anyone else named on the policy is aware that it’s not working.
  • The device is not connected to a network because a subscription or service is not active.
  • The driver recognition device for any tracking device is left unattended in or on your car.

If we need you to use a tracking device, you can see this under ‘Endorsements’ in your car insurance details.

Courtesy car

The courtesy car will be a small hatchback, so may not be of a similar size or style to your car.

Please note: this section doesn’t apply if you have Guaranteed Hire Car Plus cover – please see page 19 for details of this cover.

What we’ll do

If you claim under section 1 or section 2 of your policy and your car is repaired by an approved repairer:

 › They’ll give you a courtesy car to keep you mobile while your car is repaired.
 › The courtesy car will be a small hatchback car with an engine size of up to 1000cc.
 › Your policy will cover you (or anyone other driver named on your certificate of motor insurance) to drive the courtesy car.
 › Your cover to drive the courtesy car is restricted to the limits on use and exclusions shown on your certificate of motor insurance, and in the terms of your policy.
 › A courtesy car may not be available on the day.
 › You can only drive the courtesy car in the territorial limits. It cannot be used in the Republic or Ireland.
 › If your insurance cover is third party, fire and theft, we’ll provide comprehensive cover for the courtesy car. If you claim for this car, you’ll have to pay the first:
  • £250 if you claim under section 2 for damage
  • £75 if you claim under section 2 for windscreen replacement
  • £10 if you claim for windscreen repair.
Section 2: Comprehensive and Comprehensive Plus

If you have Comprehensive or Comprehensive Plus, you’ll have all the cover shown in Section 1: Third Party, Fire and Theft, plus the cover in this section that applies to the cover level you’ve chosen.

Damage to your car

We’ll put things right if your car is damaged.

What we’ll do

If your car is accidentally damaged, we can choose to either:

› Repair – we’ll repair the damage ourselves or pay to repair it.
› Replace – we’ll replace whatever is lost or damaged, if that’s more cost-effective.
› Repay – we’ll settle your claim by sending a cheque or bank transfer.

‘How it works’ on page 4 tells you how we manage repairs and replacements.

If your car is damaged we’ll also cover

Child car seats  We’ll pay back the cost of replacing your child car seat with one of a similar standard, even if there is no apparent damage. This includes booster seats and isofix bases.

In-car entertainment equipment  We’ll:

› Replace any damaged or stolen entertainment equipment that was permanently fitted in your car when it was made (for example a car radio), as long as we haven’t sent a cheque to cover replacing your car.
› Replace removable in-car entertainment equipment, such as satnavs or dashboard cameras, up to the amounts shown in ‘How much we’ll pay at a glance’ on page 6.

If the in-car entertainment equipment was fitted in your car after it was made, we’ll provide cover up to the amounts shown in ‘How much we’ll pay at a glance’ on page 6.

How much am I covered for?

We’ll provide cover up to the amounts shown in ‘How much we’ll pay at a glance’ on page 6.

You’re not covered for

✗ We won’t cover the cost of draining, flushing or replacing the fuel if the wrong fuel is put in your car. But we do cover any damage this causes.
Lost or stolen car keys

We’ll cover your car keys.

We can choose to either repair or replace your damaged, lost or stolen car keys and the locks they fit, including any locksmith charges.

You must take all reasonable steps to protect your car keys from loss, theft or damage.

If your keys are stolen, you’ll need to pay the theft excess. You’ll need to report this to the police and get a crime reference number from them.

If your keys are lost or damaged, you’ll need to pay the accidental damage excess.

Car security

We’ll provide cover to reprogram immobilisers, infrared handsets and alarms.

Car hire

If you can’t drive your car because of damaged, lost or stolen car keys and have our Guaranteed Hire Car Plus cover, we’ll extend the hire car cover while you’re unable to use your car. See page 19 for details of Guaranteed Hire Car Plus cover.

Driving abroad

We’ll cover lost or stolen keys if this happens while you’re driving your car abroad, so long as:

› If you have Comprehensive cover, you’ve added ‘foreign use’ to your cover (this will be shown on your car insurance details).

› If you have Comprehensive Plus cover, you’re covered by the 90 days of foreign use that are included with this cover level.

In this case, you’ll need to replace your car keys and send the receipts to us. We’ll then pay back the cost.

You’re not covered for

✘ There’s no cover if anyone in your family or living or staying at your home address takes your keys without your permission, unless you’ve reported it to the police and have a crime reference number.

✘ We don’t cover any reduction in your car’s market value because of lost or stolen keys.

✘ We don’t cover losses that aren’t directly due to your keys being damaged, lost or stolen. For example, we don’t cover loss of use or earnings.

Windscreen damage

We’ll help put things right if your car windows are damaged.

What we’ll do

We’ll:

› Replace or repair broken glass in the windscreen, sunroof or windows of your car.

› Repair any scratching to the bodywork caused by the broken glass, so long as there wasn’t any other loss or damage to your car.

› If your car has a folding roof, replace the roof and rear windscreen assembly together, if this is more cost-effective than replacing the glass alone.

How much am I covered for?

We’ll cover up to the amounts shown in ‘How much we’ll pay at a glance’ on page 6.

If your claim is only for windscreen damage, you won’t lose your No Claim Discount.
Personal benefits

The other cover you have as part of your car insurance.

New car replacement

If your new car is stolen or badly damaged, we’ll replace it with one of the same make and model.

What we’ll do

We’ll replace your car with one of the same make and model if it has:

› Been stolen and not found.
› Suffered damage that this policy covers, and the cost of repairing it is more than 60% of the last UK list price (including taxes).

We can only do this if a replacement car is available in the UK, and so long as anyone else with an interest in your car agrees.

If a suitable replacement car is not available, or your car was not supplied as new in the UK, we’ll pay you the market value of your car at the time it was stolen or damaged. We’ll take any excess off the amount we pay you. If we settle a claim this way, the lost or damaged car becomes our property, and you’ll need to send us the registration document.

When you’ll get this cover

We’ll provide this cover so long as:

› You’re the first and only registered keeper.
› If you have Comprehensive cover, your car is less than 1 year old when it’s stolen or damaged.
› If you have Comprehensive Plus cover, your car is less than 2 years old when it’s stolen or damaged.

We count your car’s age from the date it was first registered. This means your car may be older than if you count from the date you bought or registered it.

Medical expenses

If your car is in an accident and people are injured, we’ll cover medical expenses if needed. This is so long as no other car insurance policy covers the cost. We’ll cover up to the amounts shown in ‘How much we’ll pay at a glance’ on page 6.

Hotel expenses

If you cannot drive your car after an accident or loss that’s covered by the ‘Damage to your car’ section of this policy, we’ll pay towards the cost of hotel expenses for an overnight stay as follows:

› For Comprehensive, up to £250.
› For Comprehensive Plus, up to £300.
› The limit is the total we’ll pay for everyone in the car.

Personal belongings

We’ll pay for personal belongings if they’re lost or damaged by fire, theft, attempted theft or accident while they’re in or on your car. We’ll cover up to the amounts shown in ‘How much we’ll pay at a glance’ on page 6.

If you ask us to pay someone else, we’ll have no further responsibility to you once we’ve done this.

You’re not covered for:

X We don’t cover:
  • money
  • credit or debit cards
  • stamps
  • tickets
  • vouchers
  • documents
  • securities (such as share or Premium Bond certificates)
  • goods or samples for a trade or business
  • any property that’s insured under any other policy.
**Personal accident**

We’ll help if you or your partner are accidentally injured or killed in a car accident.

**What we’ll do**

If you or your partner are accidentally injured while travelling in or getting in or out of any car, we’ll pay you or your legal representatives up to the amounts shown in ‘How much we’ll pay at a glance’ on page 6.

We’ll do this if the injury from this incident causes any of the following within three calendar months:

› Death.
› Total irrecoverable loss of sight in one or both eyes.
› Loss of any limb.

**How much am I covered for?**

We’ll cover up to the amounts shown in ‘How much we’ll pay at a glance’ on page 6.

If there’s a claim for both you and your partner, these amounts are the maximum we’ll cover in total for both people.

We’ll only pay out once in any period of insurance.

**You’re not covered for**

✗ We won’t cover:

› Any injury or death caused by suicide or attempted suicide.
› Anyone who is convicted for driving while under the influence of drink or drugs at the time of the accident.
› Any injured person if we insure them against personal accident under another car insurance policy.

**Uninsured Driver Promise**

If you claim for an accident that isn’t your fault, and the driver of the car that hits your car is uninsured, you won’t lose your No Claim Discount or need to pay an excess.

**What we need from you**

If this happens, you’ll need to give us:

› The registration number, make and model of the car that hit you.
› The driver’s details, if possible.
› If available, the names and addresses of any independent witnesses.

**While we’re looking into your claim**

While we’re looking into your claim, you may have to pay your excess. Also, if you renew during this time, you may temporarily lose your No Claim Discount. Once we confirm that the accident was the fault of the uninsured driver, we’ll repay your excess, restore your No Claim Discount, and refund any extra premium you’ve paid that was solely due to this claim.
Section 3: Motor Legal Cover

About Motor Legal Cover

We’ll cover your costs if you need to take legal action or defend yourself in court.

This cover is included with Comprehensive Plus. It’s an optional extra for Comprehensive and Third Party, Fire and Theft. Check your car insurance details to see if you’re covered.

Who’s covered?

You’ll have this cover if you’re any of the following:

› The **policyholder**.
› Named as a driver on your **certificate of motor insurance** or **car insurance details**.
› The registered keeper of **your car**.
› A passenger – so long as it’s a motoring offence or a road traffic accident case.

What we’ll do

If you’re prosecuted for a motoring offence

We’ll provide cover for the **costs** to defend you in a criminal **court** in the UK, Channel Islands or Isle of Man if you’re prosecuted for a motoring offence while using **your car**.

If you’re in a motor contract dispute

We’ll provide cover for the **costs** for you to pursue or defend a breach of contract claim in the UK, Channel Islands or Isle of Man for:

› Buying **your car** or hiring goods or services for **your car**.
› Selling **your car**.

If you’re in a road traffic accident

You can use this cover if you’re in a road traffic accident with a moving vehicle, as defined by the **Road Traffic Act**, where someone else is to blame.

We’ll pay the **costs** to help you claim your uninsured losses from the person who was to blame for the accident.

Examples of the uninsured losses you may claim for include:

› Compensation for your death or bodily injury.
› Accident repair costs if you don’t have Comprehensive or Comprehensive Plus cover (we’ll cover repair costs ourselves under these policies).
› Damage to any belongings in **your car** that you’re legally responsible for.
› Any other financial losses that happened as a direct result of the accident.

You can use this cover if:

› **Your car** is involved in the road traffic accident within the UK, Channel Islands, or Isle of Man or when driving **abroad**.
› Someone not insured by this cover is 50% or more to blame.

We’ll also cover up to £250 for travel expenses you can’t claim elsewhere if you have to go to a **court abroad**, as a defendant or witness. We’ll only pay what is reasonable and necessary for these expenses.

How much am I covered for?

We’ll provide cover up to the amount shown in ‘How much we’ll pay at a glance’ on page 6. The amount shown includes any VAT payable, and is the most we’ll pay for all claims, including any appeal or counterclaim to do with the same incident.

The motor legal helpline

You can ring the 24-hour legal helpline on 0345 878 8731 for confidential legal advice on any private motoring legal problem. It doesn’t matter whether you intend to claim for the problem or not.

The helpline doesn’t advise on any claim you make under your motor insurance policy. It can only help with problems to do with laws that apply in the UK.
You’re not covered for

× We don’t cover:
  • Legal claims for any loss or damage that’s already covered by this policy or any other insurance policy.
  • Claims that are to do with an incident that happened before your cover started.
  • Any costs that we haven’t agreed to, or any costs that relate to the period before we accept your claim.
  • Fines, penalties, compensation or damages you’re ordered to pay by a court.
  • Any dispute with us under Motor Legal Cover. However, if you have a complaint, please see page 34.
  • Any appeal or enforcement action, unless we provided cover for the original claim.
  • Psychological injuries or mental illness, unless they were caused by something covered by the policy that also caused you physical injury.
  • Action against another person insured by this policy, if that person was to blame for the accident.

If you’re prosecuted for a motoring offence

× We don’t cover any offences to do with:
  • Parking, obstruction or waiting.
  • Drink or drugs.
  • Vehicle tests, such as the MOT.
  • Driving unroadworthy vehicles. For example if your car has:
    – tyres that are below the legal limit
    – faulty brakes
    – headlights that don’t work properly.
  • Driving licences or vehicle documentation.

× We don’t cover any prosecution if either of the following applies:
  • You were driving without valid motor insurance.
  • You’re already covered under ‘Liability to other people’ – see page 8.

If you’re in a motor contract dispute

× We don’t cover any claim if the amount in dispute is less than £250 including VAT.

× We don’t cover any dispute:
  • To do with faults in your car, its spare parts or accessories, if you knew about the faults before buying these items, or before your Motor Legal Cover started.
  • Between you and someone you live with or used to live with.
  • With anyone insured by this policy.
  • About a car insurance claim.
  • About the purchase or sale of salvage.
  • On contracts you entered into before your Motor Legal Cover started.

× We don’t cover claims for any contracts to do with:
  • A profession, business, trade, or any other activity that you’re paid for or that aims to make money.
  • Your employment.
  • The sale of your car, its spare parts or accessories, if the person who entered into the contract is not the owner.
  • Loans, borrowing or other financial services contracts.
Making Motor Legal cover claims

Accepting your claim
Before we cover your costs, we must accept that you have a valid claim.
We'll only accept your claim if:
› The incident happened within the UK, Channel Islands or Isle of Man – except where covered abroad.
› You were covered on the date of incident.
› The legal proceedings will happen in a court within the UK, Channel Islands or Isle of Man – except where covered abroad.

Following the policy terms
You must do all of the following:
› Comply with all of the terms and conditions of this policy.
› Take all reasonable precautions to minimise the cost of claims.
› Take all reasonable precautions to prevent a claim from happening.

If you haven’t followed any of the terms and conditions of this policy, and this prejudices our position, we have the right to:
› Refuse or withdraw from the claim.
› Refuse to cover costs – even if we’ve already agreed to them.
› Ask you to pay back costs that we’ve already paid.

Choosing who represents you
You can choose an appointed representative to look after your interests. This will include looking after your interests in any inquiry or other court proceedings, or if there’s any conflict of interest.
Your appointed representative can be:
› From a preferred law firm that we suggest.
› Your own choice of appointed representative – however you can’t choose your own appointed representative if it’s a contract dispute until it’s necessary to take your claim to court, or if there’s a conflict of interest.

If you choose an appointed representative who isn’t from a preferred law firm, they must agree to our terms of appointment. We’ll only cover their costs from the date they agree to our terms.

You’ll have a separate contract with your appointed representative. If they charge any costs that we don’t agree, you’ll be responsible for paying these.

Checking whether your claim has a reasonable chance of succeeding
Before we go ahead, we must agree with your appointed representative that your claim has a reasonable chance of succeeding. This can change during your claim.

We can refuse to continue paying costs if we or the appointed representative consider that the costs would be disproportionate to the value of the claim.

If there are conflicting opinions about whether your claim is likely to succeed, we’ll ask you to get an expert opinion from a barrister. We’ll agree which barrister with you.

If the barrister agrees with you, you won’t need to pay for their advice. If they don’t agree with you, you’ll have to pay the costs for their advice.

Co-operating with us and your appointed representative
We can contact your appointed representative at any time, and they must co-operate with us.
You must:
› Co-operate with us and your appointed representative.
› Get our agreement before instructing a barrister or an expert witness.
› Keep us and your appointed representative up to date with any developments to do with the claim.
› As soon as possible, give us and your appointed representative any information, evidence and documents that you have or know about.
› Tell your appointed representative to give us any documents, information or advice that they have or know about, if we ask.
You must not take any action that hasn’t been agreed by us or your appointed representative.
If your appointed representative refuses to continue acting, or if you dismiss them
If either of the following happens, we’ll end cover for your costs immediately, unless we agree to a different appointed representative:
› Your appointed representative stops acting for you with good reason – for example, you behave dishonestly while dealing with your claim.
› You dismiss your appointed representative without good reason – for example, you disagree with their legal advice.

Settling or ending your claim

Offers to settle your claim
You must tell us if anyone:
› Offers to settle your claim.
› Makes a payment into court.
If you refuse to accept an offer or payment that we or your appointed representative think you should accept, we can refuse to cover any further costs.

Approval to settle or end your claim
Unless we agree, you must not:
› Stop, settle, negotiate or withdraw your claim.
› Dismiss your appointed representative.
We won’t withhold our agreement to take these actions without good reason.

When we might choose to settle your claim
We can settle your claim outside of court if we think it makes financial sense to do this. We’ll do this by covering you for:
› The amount you’re likely to be awarded by a court.
› The equivalent financial value, if your claim is not for damages.

Checking costs
We have the right to have costs:
› Certified by an appropriate professional body.
› Checked by an auditor (for example a costs draftsman) that we choose.
› Assessed by a court.

Recovering costs
If your costs can be recovered from somewhere else, you must tell your appointed representative to do this. If we’ve paid costs that you then recover, you must pay the money back to us.
We’ll share recovered costs with you if:
› We refused to cover further costs and you paid more costs to end your claim.
› You paid the difference between the costs we offered your appointed representative and the costs they charged.
We’ll split any recovered costs to reflect who paid costs originally. For example, if you paid 60% of the original costs, you’ll receive 60% of the recovered costs.
Section 4: Guaranteed Hire Car Plus

About Guaranteed Hire Car Plus

We’ll give you a hire car of a similar physical size to yours, if your car is damaged in an incident, written off or stolen.

This cover is included with Comprehensive Plus. It's an optional extra for Comprehensive. Check your car insurance details to see if you’re covered.

Please note you can’t add this option if you have Third Party, Fire and Theft cover alone.

What we’ll do

Guaranteed Hire Car Plus is designed to keep you mobile while your car is being repaired, by providing you with a hire car that’s a similar size to your own. You may also have access to the car for longer than if you only have a courtesy car.

We’ll always try to provide you with a hire car that’s a similar physical size to your car, but sometimes one may not be available. We cannot guarantee that your hire car will be the same as your car in terms of its size, type, value or status.

When am I covered?

We’ll arrange for a hire car company to provide you with a hire car when all of the following apply:

› Your car is damaged because of an accident, fire or theft, or if it’s stolen and not recovered.
› The loss or damage happens in the territorial limits.
› We’re dealing with your claim under sections 1 or 2 of your policy.

How much am I covered for?

If your car can be repaired, and is driveable

We’ll provide you with a hire car from the point your car goes in for repair:

› If you use our approved repairer, until they’ve repaired your car.
› If you use your own repairer, for up to 21 days in a row while they’re repairing your car.

If your car can be repaired, and is not driveable

As soon as you’ve confirmed that we can start the repair, we’ll provide you with a hire car:

› If you use our approved repairer, until they have repaired your car.
› If you use your own repairer, for up to 21 days in a row while they’re repairing your car.

If your car is not repairable (written off) or is stolen and not recovered

We’ll provide you with a hire car for whichever is shortest of these two periods:

› Up to 21 days in a row.
› Up to 5 days after our first (or only) payment has been issued to settle your claim.

If we cannot provide you with a hire car

If we cannot provide you with a hire car because any of the following applies, we’ll repay your travel costs up to £50 a day, up to a maximum of £500:

› You’re injured during the accident in a way that prevents you from driving.
› Your car has been professionally adapted to carry a disabled driver or passenger, and a suitable hire car is not available.
› There are no hire cars available, and no alternative cars are available for hire.

We’ll do this so long as this happens when you’re driving in the territorial limits.

You can use this benefit any time in the 21 days following your claim. You’ll need to pay the costs up front, and then send us your receipts or proof of travel. We can only pay you back once we receive these.
Paying a deposit

When you collect your hire car, the hire car company may charge you a refundable deposit. When you return the hire car, this deposit will be refunded to you. This will be covered by the hire car company’s terms and conditions.

You’re not covered for

- X We won’t provide you with a hire car if you’re only claiming for windscreen or glass damage.
- X We’ll only pay for your hire car for the shortest of the following periods:
  - The hire period.
  - More than 5 days after our first (or only) payment has been issued to settle your claim.

Using your hire car

You may only use the hire car:

- While your car remains off the road or being repaired as a result of an accident, fire or theft covered by this section of your policy.
- In the territorial limits, unless the hire car company gives you permission and appropriate insurance cover to use it elsewhere.

The hire car company’s terms and conditions apply as well as ours. They’ll give you a copy of these when you collect the hire car. If there’s any conflict between our terms and conditions and the hire car company’s, our terms and conditions will apply.

How you’re insured while using your hire car

While you’re driving the hire car during the hire period, it’s insured under your policy. We’ll cover any claim for injury, loss or damage in line with your policy, so long as the driver, or the person last in charge of your car, is named as a driver on your certificate of motor insurance.

If we need to pay a claim for loss or damage to the hire car, we’ll pay this to the hire car company. If you have an excess on your policy, you’ll need to pay this.

If you cancel your Guaranteed Hire Car Plus cover

If you cancel your Guaranteed Hire Car Plus within 14 days of either your cover starting, or receiving your documents (whichever is later), we’ll return any premium you’ve paid. We’ll do this so long as we haven’t provided you with a hire car during that time.

If you cancel your Guaranteed Hire Car Plus after this 14 day period, we’ll give you a refund that reflects the number of days of cover you’ve had, unless we’ve provided you with a hire car during that time. If we’ve provided you with a hire car, you’ll need to pay the Guaranteed Hire Car Plus premium for the whole period of insurance.
Section 5: Protected No Claim Discount

About Protected No Claim Discount

You'll keep your No Claim Discount (NCD) if you make a claim, unless you make more than 2 claims in 3 years.

This is an optional extra for Comprehensive Plus, Comprehensive and Third Party, Fire and Theft. Check your car insurance details to see if you’re covered.

How it works

Once you have four years’ worth of No Claim Discount (NCD), you can protect it by paying an additional premium. We’ll let you know when you’re able to do this.

Protected No Claim Discount means that you can make up to 2 claims in 3 years of insurance in a row, and this won’t affect your NCD.

For more information, including a table showing what happens to your NCD if you claim, please see your car insurance details.

Protected NCD guarantees your NCD level, but it doesn’t protect the premium. The premium may still increase if a claim is made.

Other conditions you need to know about

**Following the policy terms**
We’ll only provide the cover set out in this policy if you keep to all the terms and conditions of the policy.
This includes Guaranteed Hire Car Plus or Motor Legal Cover if you have purchased these.

**Providing accurate information**
You must ensure that all information given to us is correct and complete to the best of your knowledge. This includes information about all drivers under the policy.
If you don’t provide correct information or inform us of any changes, this could invalidate your policy or mean we don’t pay claims in full or at all.

**Taking care of your car**
You and any person who is covered by this policy must do all of the following:
- Make sure your car is roadworthy.
- Take all reasonable steps to protect your car and its contents from loss or damage.
- Make sure any property left in an open or convertible car is in a locked boot or locked glove compartment.
- Allow us to examine your car at any reasonable time if we ask you.

**Modifications to your car**
Modifications are changes to your car’s standard specification, including optional extras.
If you wish to modify your car, you must tell us what modifications you want to make, and we must agree to them beforehand. Modifications include changes to the appearance or the performance of your car, including wheels, suspension, bodywork and engine (this is not a complete list).
If you don’t provide correct information or inform us of any changes, this could invalidate your policy or mean we don’t pay claims in full or at all.

**Fraud**
You must be honest in your dealings with us at all times.
We won’t pay a claim that is in any way fraudulent, false or exaggerated. If you, any person insured under this policy, or anyone acting on your behalf attempts to deceive us, or knowingly makes a fraudulent, false or exaggerated claim, we may:

- Keep any premium you have paid.

**What happens if we discover fraud**
If we discover fraud, we have the right to:

This policy is a contract between the policyholder and UK Insurance Limited. Nobody else has any rights they can enforce under it, except under the Road Traffic Act or anywhere else under applicable law.

**Car registration**
Your car must be registered in the territorial limits.

Other conditions you need to know about continued

Car sharing
The policy covers anyone insured to drive your car as part of a car sharing agreement, carrying passengers for payment. This is so long as:

› Your car isn’t made or adapted to carry more than 8 passengers and a driver.
› You’re not carrying the passengers as part of a business.
› You’re not making a profit from the passengers’ payments.

If you’re not sure whether we’ll cover your car sharing arrangement, please contact us.

When we can act on your behalf
We’re entitled to do either of the following:

› Take over and carry out the negotiation, defence or settlement of any claim in your name, or in the name of any other person covered by this policy.
› Start legal proceedings in your name, or in the name of any other person connected to this policy. This can be for your benefit or our own benefit.

How the policy works

Telling us about changes

Before your cover starts
You must tell us if anything has changed since you received your quote. For example, you must tell us if:

› Anything about your car changes.
› You or any other driver have any claims or convictions that you haven’t already told us about.
› There are any changes to how your car is used, for example if you change from social, domestic and pleasure use to business use.
› There are any modifications made to your car (see ‘Modifications to your car’ page 25).
› You want to add another driver to the policy, or make any other change to who can drive your car.
› You want to change to a higher level of cover, for example from Third Party, Fire and Theft to Comprehensive.

After your cover starts
You must tell us as soon as possible if:

› You change the address where your car is normally kept overnight.
› Anyone covered by the policy changes their occupation.
› Anyone covered by the policy passes their driving test.
› Any contact details change, for example, your email address.
› Any other policyholder details change.
   You can see the details we have in your car insurance details.

These changes may mean we need to increase or reduce the premium.
How the policy works

Before renewal
You must tell us about any incident or motoring offence that’s happened since your cover started. For example, if anyone covered by the policy has had:

› Any motoring convictions, endorsements, penalty points, fixed penalties (excluding parking penalties), speed camera offences or disqualifications.
› Any incidents, thefts or losses, even if they didn’t claim or were not to blame.
› Any insurance cancelled by another insurer for fraud or misrepresentation.

If you don’t tell us about changes
If you don’t provide correct and complete information or inform us of any changes, this could invalidate your policy or mean we don’t pay claims in full or at all.

Changing your policy
You can make a temporary or permanent change to the policy at any time during the year.
If you do this, you may have to pay an administration fee as well as any additional premium. Please see your car insurance details for more information on the administration fee.

Paying your premium
If you change your car insurance and there’s an extra premium to pay, you can pay this at the time of the change, or add it to your monthly payments.

What happens if we can’t collect your payment
If you pay monthly and we can’t collect your monthly payment on the day it’s due, we’ll write to you to let you know, and ask you to make the payment.
If we don’t receive payment, or you don’t have a valid payment method, we may cancel the policy. If we do this, we’ll give you at least 7 days’ notice.

If there’s a claim while you owe us money
If you’ve claimed, or if someone has claimed against you, while you owe us money, we may refuse your claim.
If we allow your claim, you must pay us the following:

› All instalment payments that are due under the credit agreement but haven’t been paid yet.
› The total remaining balance under the credit agreement.

If we agree to pay your claim and you haven’t paid these amounts, we may take the total that you owe us off the amount that we pay you to settle the claim.
If there’s a claim while you owe us an additional premium, we may refuse your claim. If we allow your claim, we may take any additional premium off the amount we pay you to settle the claim, or we may proportionately reduce any payment we make to you.
Your right to cancel

› You can cancel the policy, or any optional cover you’ve added, at any time – just get in touch with us. The table below shows whether we’ll charge you and how much we’ll refund in each situation.
› It’s your responsibility to let anyone insured under this policy know that this policy has been cancelled.
› If you cancel your Direct Debit payments, this won’t cancel the policy. We’ll ask you to pay the money you owe.
› The cooling-off period is 14 days from the policy start date, or when you receive the policy documents, whichever is later.

We won’t refund any Green Flag breakdown cover premium if you’ve used your breakdown cover. You’ll need to pay the full balance of the Green Flag breakdown cover annual premium.
If we need to cancel the policy

› We can cancel the policy at any time if we have a valid reason. If we have to do this, we’ll give you at least 7 days’ notice. We’ll send our cancellation notice to the latest address we have for you.

› It’s your responsibility to let anyone insured under this policy know that this policy has been cancelled.

› If you live in Northern Ireland, the Channel Islands or the Isle of Man, you must return your certificate of motor insurance to us after cancellation. This applies whether we cancel the policy or you cancel it.

Why we might cancel the policy

We’ll only cancel the policy if we have valid reasons for doing so. For example:

› If you’ve failed to co-operate with us, or send us information or documentation as described in your policy, and that has affected our ability to process your claim, or deal with your policy.

› If your circumstances have changed in such a way that you no longer meet our criteria for providing motor insurance.

› If you’ve used threatening or abusive behaviour or language, or you’ve intimidated or bullied our staff or suppliers.

› If we have good reasons to suspect fraud.

Refunding the premium

If we cancel the policy, we’ll charge for the time you’ve had the policy, and refund the rest of the premium, unless there has been any fraudulent activity.

We won’t refund any premium if you’ve made a claim, or if you’ve had a claim against you. You’ll need to pay us the full balance of your annual premium.

Your No Claim Discount (NCD)

If you don’t claim on your policy, we’ll adjust your renewal premium in line with the NCD scale that we’re using at the time you renew. However, if you claim on your policy, we may reduce your NCD.

The Motor Insurance Database

Information relating to your policy will be added to the Motor Insurance Database (MID) managed by the Motor Insurers’ Bureau (MIB). The MID and the data stored on it may be used by certain statutory and/or authorised bodies including the police, the DVLA, the DVANI, the Insurance Fraud Bureau and other bodies permitted by law for purposes not limited to but including:

› Electronic Licensing (Tax Discs).
› Continuous Insurance Enforcement.
› Law enforcement (prevention, detection, apprehension and/or prosecution of offenders).
› The provision of government services and/or other services aimed at reducing the level and incidence of uninsured driving.

If you are involved in a road traffic accident (either in the UK, the EEA or certain other territories), insurers and/or the MIB may search the MID to obtain relevant information. Persons (including his or her appointed representatives) pursuing a claim in respect of a road traffic accident (including citizens of other countries) may also obtain relevant information which is held on the MID. It is vital that the MID holds your correct registration number. It is our responsibility to update your policy to the MID. We fully comply with the agreements in place with the MIB to update your details within seven days; however it is important that you check your policy documents ensuring that the registration number is recorded correctly. If it is incorrectly shown on the MID you are at risk of having your car seized by the police. You can check that your correct registration number is shown on the MID at www.askMID.com. If the registration number is not shown correctly on your policy documents, or you cannot find your car on the MID, please contact us immediately.
